

TeleVisits just got easier with your provider at Southwest Pediatrics.

- 1). Make your televisit today with our friendly front desk receptionist.
- 2). You will receive a text message and email within 10 minutes after making your appointment . You can now connect right from that text message or email. You can start your visit 10 minutes before your appointment. It's that simple.
- 3). Just fill out the Questionnaire, vitals forms and consent form and click on Start your Televisit.

Please feel free to call our offices with any questions you may have during business hours.
